

Product no **AS08 335****Anti-Conglutin gamma | lupin-specific globulin****Product information**

<b>Immunogen</b>	Native protein isolated from lupin seeds
<b>Host</b>	Rabbit
<b>Clonality</b>	Polyclonal
<b>Purity</b>	Serum
<b>Format</b>	Lyophilized
<b>Quantity</b>	50 µl
<b>Reconstitution</b>	For reconstitution add 50 µl of sterile water
<b>Storage</b>	Store lyophilized/reconstituted at -20°C; once reconstituted make aliquots to avoid repeated freeze-thaw cycles. Please remember to spin the tubes briefly prior to opening them to avoid any losses that might occur from material adhering to the cap or sides of the tube.

**Application information**

<b>Recommended dilution</b>	1 : 1000 (WB)
<b>Expected   apparent MW</b>	33   18 kDa in a presence of DTT
<b>Confirmed reactivity</b>	<i>Lupinus albus</i> , <i>Lupinus luteus</i>
<b>Predicted reactivity</b>	<i>Lupinus albus</i> , <i>Lupinus angustifolius</i>
<b>Not reactive in</b>	No confirmed exceptions from predicted reactivity are currently known
