

Product no **AS06 175****HSP70B | Stromal alfa-HSP70 (algal)****Product information**

Immunogen	mature HSP70B protein UniProt: A8HYV3 , expressed with N- and C-terminal hexahistidine tags in <i>E. coli</i> , purified with Ni-NTA
Host	Rabbit
Clonality	Polyclonal
Purity	Serum
Format	Lyophilized
Quantity	100 µl
Reconstitution	For reconstitution add 100 µl of sterile water
Storage	Store lyophilized/reconstituted at -20°C; once reconstituted make aliquots to avoid repeated freeze-thaw cycles. Please remember to spin the tubes briefly prior to opening them to avoid any losses that might occur from material adhering to the cap or sides of the tube.

Application information

Recommended dilution	1 : 10 000 (WB)
Expected apparent MW	71,9 kDa
Confirmed reactivity	<i>Chlamydomonas reinhardtii</i> , <i>Desmodesmus subspicatus</i> , <i>Physcomitrium patens</i> , <i>Chlorococcum dorsiventrale</i>
Predicted reactivity	<i>Dunaliella salina</i> , Cyanobacteria Species of your interest not listed? Contact us
Not reactive in	No confirmed exceptions from predicted reactivity are currently known
