

Product no **AS19 4275****Anti-ATG3 | Autophagy-related protein 3****Product information**

Immunogen	Full-length recombinant ATG3 of <i>Arabidopsis thaliana</i> protein sequence UniProt: Q0WWQ1-1 , TAIR: At5g61500 , overexpressed in <i>E.coli</i>
Host	Rabbit
Clonality	Polyclonal
Purity	Serum
Format	Lyophilized
Quantity	50 µl
Reconstitution	For reconstitution add 50 µl, of sterile water
Storage	Store lyophilized/reconstituted at -20°C (short term, months) or at -80°C (long term, years) ; once reconstituted make aliquots to avoid repeated freeze-thaw cycles. Please remember to spin the tubes briefly prior to opening them to avoid any losses that might occur from material adhering to the cap or sides of the tube.

Application information

Recommended dilution	1 : 3000 (WB)
Expected apparent MW	35.3 38 kDa
Confirmed reactivity	<i>Arabidopsis thaliana</i>
Predicted reactivity	<i>Brassica campestris</i> , <i>Eutrema salsugineum</i> , <i>Helianthus annuus</i> , <i>Nicotiana tabacum</i> , <i>Noccaea caerulescens</i> , <i>Populus trichocarpa</i> , <i>Salvia splendens</i> , <i>Sisymbrium irio</i> , <i>Solanum tuberosum</i> Species of your interest not listed? Contact us
Not reactive in	No confirmed exceptions from predicted reactivity are currently known
