

This product is for research use only (not for diagnostic or therapeutic use)

Agrisera AB | Box 57 | SE-91121 Vännäs | Sweden | +46 (0)935 33 000 | www.agrisera.com

Product no AS08 335 Anti-Conglutin gamma | lupin-specific globulin Product information

ImmunogenNative protein isolated from lupin seedsHostRabbitClonalityPolyclonalPuritySerumFormatLyophilizedQuantity50 μlReconstitutionFor reconstitution add 50 μl of sterile waterStorageStore lyophilized/reconstituted at -20°C; once reconstituted make aliquots to avoid repeated freeze-thaw cycles. Please
remember to spin the tubes briefly prior to opening them to avoid any losses that might occur from material adhering to
the cap or sides of the tube.

Application information

| Recommended dilution | 1 : 1000 (WB) |
|---------------------------|---|
| Expected apparent MW | 33 18 kDa in a presence of DTT |
| Confirmed reactivity | Lupinus albus, Lupinus luteus |
| Predicted reactivity | Lupinus albus, Lupinus angustifolius |
| Not reactive in | No confirmed exceptions from predicted reactivity are currently known |
