

Product no **AS18 4182**

Anti-DYKDDDDK (binds to Sigma FLAG®), FITC-conjugated

Product information

Immunogen	KLH-conjugated DYKDDDDK (FLAG®) synthetic peptide.
Host	Rabbit
Clonality	Polyclonal
Purity	Immunogen affinity purified in PBS pH 7.4, 50% glycerol, 0.09% sodium azide.
Format	Liquid
Quantity	100 µg
Storage	Store at -20 °C.

Application information

Recommended dilution	1: 100 (WB)
Confirmed reactivity	DYKDDDDK tagged proteins
Not reactive in	No confirmed exceptions from predicted reactivity are currently known
Additional information	For in vitro research use only
