

Product no **AS18 4182**

DYKDDDDK (binds to Sigma FLAG®), FITC-conjugated

Product information

Immunogen	 KLH-conjugated DYKDDDDK (FLAG®) synthetic peptide.
Host	 Rabbit
Clonality	 Polyclonal
Purity	 Immunogen affinity purified in PBS pH 7.4, 50% glycerol, 0.09% sodium azide.
Format	 Liquid
Quantity	 100 µg
Storage	 Store at -20 °C.

Application information

Recommended dilution	 1: 100 (WB)
Confirmed reactivity	 DYKDDDDK tagged proteins
Not reactive in	 No confirmed exceptions from predicted reactivity are currently known
Additional information	 For in vitro research use only
