Product no AS20 4477

Anti-Glucose oxidase

Product information

Immunogen Purified Glucose oxidase of Aspergillus niger, UniProt: P13006

Host Rabbit

Clonality Polyclonal

Purity Immunogen affinity purified in PBS pH 7.2, stabilized with dextran.

Format Lyophilized

Quantity 1 mg

Reconstitution For reconstitution add 0.5 ml of sterile water

- To reconstitution add 0.5 miles steme water

Store lyophilized/reconstituted at 4 °C (short time) or -20 °C (log term); once reconstituted make aliquots to avoid repeated freeze-thaw cycles. Please remember to spin the tubes briefly prior to opening them to avoid any losses that might occur from material adhering to the cap or sides of the tube.

Application information

Recommended dilution Assay dependent

Confirmed reactivity | Aspergillus niger

Additional information Cross-reactivities against enzymes of other sources may occur but have not been determined
