

Product no **AS20 4457**

**Anti-His-tag | 6xHis (monoclonal, Clone 2C5,1)**

## Product information

<b>Immunogen</b>	conjugated synthetic peptide 6xHis
<b>Host</b>	Mouse
<b>Clonality</b>	Monoclonal
<b>Subclass/isotype</b>	IgG2a
<b>Purity</b>	Total IgG. Protein A/G purified in PBS. Contains 0.08% sodium azide.
<b>Format</b>	Liquid
<b>Quantity</b>	100 µg
<b>Storage</b>	Store at -20 °C; make aliquots to avoid repeated freeze-thaw cycles. Please remember to spin the tubes briefly prior to opening them to avoid any losses that might occur from material adhering to the cap or sides of the tube.

## Application information

<b>Recommended dilution</b>	Assay dependent
<b>Confirmed reactivity</b>	6x-His tagged proteins
<b>Additional information</b>	Antibody is specific for His tags no longer than 6 histidines
