

Product no **AS20 4449**

Anti-Soy protein, HRP conjugated

Product information

Anti-Soy protein, HRP conjugated

Immunogen | *Glycine max* flour protein extract

Host | Chicken

Clonality | Polyclonal

Purity | Immunogen affinity purified IgY, conjugated to HRP.

Format | Liquid

Quantity | 100 µg

Storage | Store at -20 °C; make aliquots to avoid working with a stock. Please remember to spin the tubes briefly prior to opening them to avoid any losses that might occur from material adhering to the cap or sides of the tube.

Additional information | Antibodies were purified on immobilized soybean proteins.
Antibody is provided in PBS pH 7.2, 50 % glycerol with 0.01 % Thimerosal.

Application information

Recommended dilution | assay dependent

Confirmed reactivity | *Glycine max* proteins

Predicted reactivity | *Glycine max* (soybean) proteins

Not reactive in | No confirmed exceptions from predicted reactivity are currently known
